“Our mission is to introduce students of all ages to the Performing Arts in a warm, nurturing and professional environment. Offerring them an oppourtunity to gain an appreciation of the arts that will last a lifetime”.

Our classes are designed for students to enjoy the arts as a creative outlet. At the same time children benefit from the physical activity.

As we are now in our 25th. year we

are proud to know that AEDE is a place students look forward to coming to each week. Where they enjoy a sense of accomplishment, make new friends and gain a sense of what the performing arts is all about. AEDE also offers a company program designed for students who are more serious about dance, and the possibility of pursuing a career in the performing arts.

Our school and it's staff is committed to providing the highest level of performing arts education in Dance, Voice, Acting and Music.

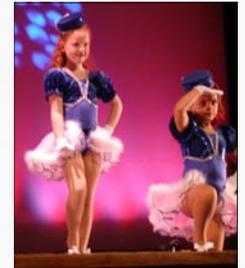

You are all invited to come learn, create memories, and have fun @ A.E.D.E. Stop in and visit any time, we'd be glad to show you around.

Anita Ehrler's Dance Extension's staff of quality teachers make everyone feel like they are part of the family.

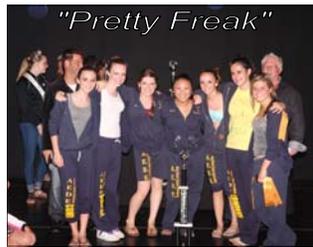

“A.E.D.E. continues to produce creative, enjoyable performances each and every year”. AEDE Mom...

A.E.D.E. COMPETITION/COMPANY

Our competition/company program makes up about 10% of our student population. A.E.D.E. has always been recognized as one of the best competition schools in the area. Winning National Championships, and the prestigious Best Choreography Award many times. The company program doesn't focus on winning as the end all goal. More importantly it endeavors to help students draw the association between hard work, commitment and dedication to success. In dance as well as in life in general. Admission to the company is achieved by invitation and or through auditions. A.E.D.E. maintains 5 to 7 competition companies each year. Participation in this program requires a great commitment in time and a high level of dedication. The competition program builds character as well lasting friendships. If this program interest's you please inquire for more details.

Music Program

A.E.D.E.'s music school is staffed with university trained instructors. All of our teachers have professional performing experience and are trained music educators experienced in working with children and teens. Music students perform in Jan. at our winter recital as well as in June at our spring private recital. Private lessons are offered Mon.— Sat.. Private Voice students have the opportunity to compete in Vocal competitions 2 or 3 times per year at the discretion of their instructor.

More classes

Our recreational program makes up over 90% of our student body. The program offers a wide variety of different style dance classes, group acting and voice classes, and private music lessons. Children who come to the school once or twice a week as recreational students return year after year for the sheer enjoyment of having the performing arts in their lives. They are the AEDE family.
